Sir,

In accordance with section 16(1) of 'the Coal Mines (Special Provisions) Second Ordinance, 2014', the compensation for land in relation to coal mines shall be as per the registered sale deeds lodged with the Nominated Authority. The indicative valuation based on the available information as furnished by the prior allottees of 23 Schedule-II coal mines has already been included in the Tender Document uploaded on MSTC's e-auction platform. The following provision has also been incorporated in the Tender Document:-

"The Fixed Amount is required to be deposited by the Successful Bidder with the Nominated Authority in accordance with the relevant provisions of the Ordinance and the Rules. The Fixed Amount based on the available information and the assessment made by the competent authority has already been uploaded as a part of the Tender Document. Any upward revision in the Fixed Amount on a subsequent date by the Government or the Nominated Authority consequent upon any process or on the orders of any competent court of law, shall also be payable by the Successful Bidder."

2. The firm and final valuation of land is being carried out by the Nominated Authority with the assistance of an expert agency. It has been decided to provide an opportunity to prior allottees of Schedule-II coal mines to submit further information, if any, for assessment and valuation of the land. Accordingly, a meeting has been fixed on **06.02.2015** at the office of Nominated Authority, Ministry of Coal, Ground Floor, World Trade Tower, Barakhambha Lane, New Delhi. For this purpose, a mine-wise time schedule for discussion has been drawn up and is given in **Annexure**.

3. Prior allottees of Schedule-II coal mines are requested to come for discussion as per the prescribed time schedule given in Annexure, in case they so desire. The representatives of prior allottee coming for discussion must carry an authority letter.

Yours faithfully,
