Dated: 17<sup>th</sup> August' 2018

**NOTICE**

**Subject: Publication of Mine Summary in respect of 71 coal mines available for allocation under the provisions of the Coal Mines (Special Provision) Act' 2015.**

Pursuant to cancellation of allocations of 204 coal mines by the Hon'ble Supreme Court of India, Coal Mines (Special Provisions) Act' 2015 was enacted by Government of India under the provisions of which allocation of these coal mines are being done from time to time. As on date, 84 coal mines stands allocated out of these 204 coal mines. Out of the remaining 120 coal mines, 36 coal mines have various constraints. Further, allocation process of 8 coal mines are under way. As such, there are 76 coal mines which are available for allocation. Allocation of these 76 coal mines will be done in due course.

2. It has been pointed out by the prospective bidders/applicants in various stakeholders meetings that they do not get sufficient time to make themselves fully aware of the full facts of mine related data as well as for carrying out due diligence for the same. In this context it has been decided that Mine Summary containing mine related information/status of the mine in respect of coal mines available for allocation, will be available free of cost to potential bidders, applicants, interested companies for carrying out their due diligence in advance.

3. It is to mention that out of the 76 coal mines, presently Mine Summary in respect of 5 coal mines, is not available.

4. In view of the above, Mine Summaries of 71 coal mines, available for allocation as on date, is being published herewith. Mine Summary of another 5 coal mines will be published as soon as the complete information is available in respect of them. Allocation of these coal mines will be made as and when decided by the Ministry of Coal.
