Posted On: 10 OCT 2023 1:35PM by PIB Delhi

The Ministry of Coal along with all its PSUs and field offices is observing the **Special Campaign 3.0** on Swachhata from 02nd to 31st Oct 2023. The preparatory phase of the campaign commenced from 15th of September with an aim to identify targets to be achieved during the campaign period. The main phase of the campaign officially started from 2nd October and will continue till 31st October, 2023. The focus areas of the Campaign includes effective disposal of public grievances, references from the Members of Parliament, Parliament Assurances, cleanliness drive, disposal of scrap and weeding out of files and other swachhata related activities.

Preparatory meeting at the level of Additional Secretary were taken with all stakeholders including Coal PSUs to chalk out strategy, creating awareness and gearing up all stakeholders within the jurisdiction of the Ministry for successful implementation of the Campaign and achieving the targets under different categories of Special campaign 3.0 set out in consultation with all stakeholders.

In the preparatory phase, Ministry of Coal has identified 763 sites for cleanliness campaign and set a target to review 129,301 physical files & 59,213 e-Files for better record management. A total of 5218 MT of scrap has been identified for disposal.

The Coal Ministry is undertaking various activities as best practices and aspires to accomplish these tasks before the end of the campaign which will foster cleanliness and elevate workplace experiences impacting lasting change with respect to the environment.
